Hi Fellows:

Your gift of cigarettes came at a very fine and appropriate time, at a time when I sure enjoyed them and wish to thank you all for remembering me at a time as I've just passed thru. Seems good to know that no matter what happens that someone is thinking of you. I've often thought of the good times, I enjoyed at the club. I suppose my good friend Chas. C. Meyer brought this to your attention so say Hello to him for me. I'm still active in Radio work and taught it at Janesville Wis. for the Signal Corps. But when the school closed I came back to Jefferson and opened my shop again. Give my regards to all the Hams and ~~still~~ hoping the war will soon end so we can again have some fine rag chews on the air again. Thanks again Fellows
